

Northstar Analytics Finance and Procurement Policy

Purpose

This policy explains how employees should request purchases, work with vendors, and submit invoices or reimburse

Purchase Approval Thresholds

Team leads may approve purchases up to INR 25,000 if the expense is already within the approved team budget. De above INR 100,000 requires finance approval and director sign-off before the order is placed.

Preferred Vendors

Employees should use preferred vendors when available for laptops, cloud credits, office equipment, and collaborat ne or specification, the buyer must document the reason for using an alternative vendor.

Subscription Management

Recurring software subscriptions must have a named business owner. The owner is responsible for reviewing active ts should not be signed without finance review.

Invoice Submission

Vendor invoices should be submitted to finance-ops@northstaranalytics.example with the purchase order number, l ay delay payment processing.

Reimbursement Rules

Employee reimbursement claims must be submitted within 30 days of purchase. Claims older than 60 days require r a documented system issue.
